The applicant's five most important publications from the point of the application and their Impact Factor (IF) and Total Citations (TC).

(Mandatory)

Title	Name of Publication	Author(s) name(s)	IF	TC
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

Complete list of publications (Mandatory)

Accepted file format PDF.

Drag and drop or click to add file.

Step 4/5 Recommendations

Is the research part of doctoral studies? (Mandatory)

- Yes
- No

Clear the answer

The question below can be filled in depending on what you answered to the question: "Is the research part of doctoral studies?"

1-2 recommendations for dissertation students

Write a message to the person you have chosen to give you a recommendation for your doctoral dissertation / research project in the message-field below. You can briefly describe your dissertation / research project in the message-field. Fill in at least one person's name, title and email. If possible, use the e-mail address that the person uses at work. **You can change the message and the other information until you submit the application.**

When you submit your application the referee will automatically receive an e-mail where the person is requested to fill in a separate referee's form. You will receive a notification e-mail once the referee has filled in and sent us the form. The recommendations are treated confidentially.

Person 1

Message to the person

Name, title and place of work:

E-mail:

Person 2

Message to the person

Name, title and place of work:

E-mail:

Step 5/5 Funding

Applied amount (Mandatory)

Previous grants from Selma and Maja-Lisa Selander's Fund for Research

Year of grant	Research title	Granted sum
<input type="text"/>	<input type="text"/>	<input type="text"/>

[Add new row](#)

[Insert data from excel](#)

Grants applied for and received from others for this study in the past year

Fill in the first column from where the grant was applied. If a decision on funding has not yet been taken, add the applied amount in the second column. If a positive decision has been made, leave the applied sum column blank and add the amount granted to the third column.

	Applied	Granted	Total
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
