

Medix prize 2026

The application round is open: 01.04.2026 - 02.05.2026

This preview was created at: 14:48 30.04.2026

NOTE! This is a preview of the form. This preview provides an overview of the questions on the application form.

Please do not print and send this form to us. We only accept applications that are filled out and submitted electronically through the applicant portal.

We reserve the right to change the questions during the application period, so the form you fill out electronically may differ from this preview version.

Step 1/1 Publication

You can propose to Medix Prize award recipient an excellent Finnish scientific study published as one article during the previous year (now 2021). The study has to represent biomedicine or clinical medicine and to be performed entirely or in its essential parts in Finland.

The publication may have one or several authors; In the latter case the prize will be shared among the authors. Review articles are not eligible for the prize; Of Ph.D. theses compiled of several articles only the individual original publications can be considered for the prize. Scientists' proposals for awarding their own work are also welcomed.
